 - Excellent work (This is an award quality project.)
 - Very good work (I really liked this work.)
 - Good work (I believe, this is as good as the project in many comparable class project)
 - Probably a good work (This project may be a good work. However, I am not going to champion this project.)
 - May be below the class project standard (Project needs significant amount of work to be ready for the class project evaluation. See my comments below.)
